Once you enter *The Pamper Suite*, leave your worries outside and let us take care of you.

We recognise that you deserve *Suite* indulgence.....wherever you are.

The Pamper Suite is here to assist busy men and women have more pleasure, laughter and convenience in their lives by creating a place where they can pamper their bodies and take time out for themselves.

Our intention is creating a fantastic indulgent **Luxury Mobile Spa Experience** for all our clients at their desired location that they will crave to experience again and again.

We will attend to **Private Clients** through having home Spa Parties or limes with friends or family. Great opportunities will be created for socializing for that special occasion as well, such as bridal showers, bachelor parties, baby showers, birthdays and anniversaries or just because.

For **corporate clients**, *The Pamper Suite* offers a range of options to suit their needs and that can fit into hectic schedules. These include treatments during break times at conferences and seminars, gifts to staff and company clients, and even treatments at sports events and family days.
